

ENVIRONMENTAL POLICY STATEMENT

Through the adoption of a reasonable and proactive attitude to environmental issues D & G Builders and Joiners Ltd is committed to minimising potentially harmful effects on the environment and to contributing to sustainable development through balancing its business aims with environmental considerations.

The company will meet and where possible exceed the requirement of all applicable legislation and regulations.

Specifically, where it is within the company's control or influence in both design and construction, D & G Builders and Joiners Ltd undertakes to:

- Endeavour to minimise the environmental impact of its operations and to reduce the effects of noise, dust, disturbance and inconvenience.
- Develop management processes, operational procedures, etc. to prevent pollution.
- Make efficient use of energy resources, taking appropriate opportunities to reduce waste and promote recycling and the use of recyclable materials.
- Implement a continual improvement process by assessing and monitoring its environmental performance against specific objectives and targets relevant to its business activities.
- Encourage initiatives that enhance its environmental performance.
- Work with subcontractors and suppliers to improve their environmental performance.
- Where appropriate, consult with the local community on environmental issues.
- D & G Builders will comply with the requirements of the SWMP (2008) for all construction activities that fall within its scope

It is the responsibility of all D & G Builders and Joiners Ltd employees to support and apply those sections of the company environmental policy and procedures that relate to their activities.

Appropriate support and training will be given to staff to ensure that they are able to fulfil the commitments given in this statement of policy.

The board of D & G Builders and Joiners Ltd will publish the environmental performance and where applicable prepare and publish results.

D F Ormerod, Managing Director

For D & G Builders and Joiners Ltd
